Title: a book

Author: Sanaleb

Hail to thee who reads
these words. Pretty soon
this world will be engulfed
by the chaotic blackness
of the necromancers. Us
paladins must band
together and put a stop
to their devilish plans, or
else all of britannia shall
be lost! We must
properly learn the ways
of chivalry and prepare
for this coming days,
when the necromatic arts
will awaken from the
ashes. Take care.
